Braver	I learned so much from this class! Dr. Braver makes it interesting and fun!
Braver	The handouts helped a lot. They were very well formatted and easy to follow/understand. He definitely understands how students learn and teaches appropriately in accordance to that. Awesome course.
Braver	This was my favorite class I took at this university. Dr. Braver is extremely knowledgeable, entertaining, easy to learn from, and overall an excellent teacher. There is nothing I would change about this class. It was an absolute pleasure to take it.
Braver	Well knowledgeable in his field and effective in presenting the information to student.
Braver	Loved the class! Very interesting and informative. A good overview of the different areas someone could potentially study in linguistics. The workload was also enough to help me learn the material without feeling overly burdened.
Braver	Dr. Braver was a very good teacher. He explained everything we needed to know in order to pass each assignment/test. If we didn't understand something, he would make time to meet with us and explain things until we really knew how to do it. Great teacher.
Braver	The take-home exams were nice. I agree with the logic from an educator standpoint -- there really aren't many conceivable scenarios in which a linguist would find themselves in a position wherein they would need to know something and not have the ability to look it up.
Braver	Dr. Braver is funny and calm. The class has a nice learning atmosphere.
Braver	Very interesting topic and subject matter. Gave a different perspective on what linguistics is about and was enjoyable to attend. Professor needs some other form of teaching the subject matter besides packets. Printing the packets out seemed excessive and was a bit hard to keep up with while in class because the professor moved so fast, in turn making the homework more difficult. Although, the professor was enjoyable to learn from. Take home exams always do well with students. Videos seemed to do the best with classmates too.
Braver	Great Instructor!!
