	<b>Question: Comments instructor or course</b>
Braver	He is great. Super organized and clear about due dates. I never left class with a question unanswered or not understood.
Braver	He was great in class and online
Braver	I really loved this course! Professor Braver conducts his lectures in a very professional yet engaging way. I can tell that he is very passionate about the subject matter that he teaches, which makes the course all the more interesting. I honestly did not expect to enjoy this course as much as I did; I will gladly recommend this course to anyone who needs this credit!
Braver	Professor genuinely made me want to go to class and learn new content. He has a great teaching style and was always very helpful.
Braver	Great Professor!
Braver	Dr. Braver is an excellent instructor and I would recommend him to any student. He is willing to work with you if there are extenuating circumstances, has effectively and thoughtfully structured the class, and has made every effort to help his students.
Braver	Good professor, you can tell that he enjoys the subject and is passionate about teaching. Not an easy or an enjoyable class to take.
Braver	Dr Braver is very kind and understanding towards his students. Overall, hes a very good teacher.
Braver	Dr. Braver introduces students to the field of linguistics with an eagerness and earnestness that can only spread with ease with each class. The complex and difficult subject matter is condensed so that students may absorb it, but the depth of the education is somehow never lost. Constantly adapting to his students disposition to the material, Dr. Braver leads a dynamic and changing classroom that always ensures the best interest of the student is always prioritized.
Braver	Dr. Braver is the best. He obviously cares about what he is teaching which makes learning from him easier and more enjoyable.
Braver	This instructor, Professor Braver, is one of the best and most enjoyable instructors I have ever had. Many classes have subjects which are enjoyable to learn about and make it worthwhile to return to the class. But not many classes have a professor that makes returning to the class worthwhile. This professor always made the course seem interesting and fun to learn. It was never a hassle to go to class and the class never was too boring to pay attention to. If I could take this class again, I would. I would highly recommend both this course and this instructor.
Braver	Amazing instructor went out of his way for his students and made the class interesting although it was a bit difficult.
	<b>Question: COVID-19 Comments</b>
Braver	A strange change but Professor did a great job with keeping the material as normal as possible.

Braver	Dr. Braver worked with the change very well. The class barely changed, and that was a nice degree of stability.
Braver	He did great. No real effect just bc of his teaching style
Braver	Professor made the transition to online classes very easy and continued to be at reach for any concerns.
Braver	Professor Braver made the online transition feel very easy. He wasn't stressed about it (from what I could tell), so I wasn't stressed about it. His lectures ran very smoothly online. One class, we had someone hack into the system, and he handled it very professionally.
Braver	COVID19 seemed to make no difference to the modality of this class. I believe the class functioned just as well before and after quarantine began.
Braver	Dr. Braver was constantly striving to maintain normalcy despite the COVID induced changes. This wasn't always achieved, but the effort was appreciated regardless. The material wasn't diluted, and the work was amenable, leading to a course enjoyable maybe in spite of the quarantine and pandemic.
Braver	The class was absolutely amazing in person by in all honesty when it was put online it was hard to be attached and present in the lectures.
