	<b>Question: Distance learning comments</b>
Braver	Dr. Braver was a great professor who really worked with his students and listened to what they were going through and helped them reach the level of success that he knows they can achieve.
Braver	Dr. Braver goes above and beyond to help his students succeed, and his encouragement and positivity is matched only by his professionalism. His delivery of the course content is easy to grasp, even when the material is complex. Overall, a highly beneficial course.
Braver	This course was incredibly interesting and Dr. Braver is an excellent professor. He cares about his students, he cares about them learning the material, and he explains the material thoroughly and in an comprehensible manner. I am so glad I took this course!
Braver	Professor Braver teaches in a way that makes a complicated subject seem within grasp of comprehension. I am no linguist, but I managed to stumble my way through this course with his insightful instruction. His use of visual aids and media helped tremendously in my absorption of the information. This was my second class taught by him, and he has done a fantastic job both times.
Braver	Dr. Braver is an excellent instructor.
Braver	Dr. Braver is a fantastic professor. Id never taken any kind of linguistics course before and he explained everything clearly and made it such a fun subject through his lectures and exercises; it was absolutely my favorite class I took this semester. If I wasnt graduating, Id definitely enroll in more of his classes.
Braver	This may well be the most efficient and effective online lecture course Ive taken. Dr. Braver is an extremely competent and capable educator with reasonable and clear expectations.
